

Patient-Centered

Dental Insurance Reforms That Illinois Families Need

Legislation to Direct Patient Dollars to Patient Care

Protects patient dollars by requiring dental insurance carriers to spend at least 80% of premium dollars on patient care rather than administrative costs, salaries and profits. HB 2070/SB 1287

More Transparency

Legislation to Ban "Virtual Credit Card" Fees

Ensures dentists receive the negotiated reimbursement for patient care by preventing costly and forced fees that come with virtual credit card payments. HB 2071/SB 1289

Legislation to Require Safeguards for Network Leasing

Safeguards patients and dentists by requiring dental plans to be more transparent when leasing their dental networks and ensures no provider is cancelled for declining to participate in the new leased network. **HB 2072/SB 1288**

Illinois deserves accessible and transparent dental care!

The Illinois State Dental Society supports the above dental insurance reforms that deliver **more** for patients.

40% UNCHECKED SPENDING

As much as 40-percent of patient premium dollars go to administrative costs, like marketing, profits and bonuses, instead of being directed toward patient care.

72% VOTER SUPPORT

of Massachusetts voters approved similar policies at the ballot box in 2022.
